SECTION I TERMS, RULES, REGULATIONS & INSTITUTIONAL POLICIES

The following Policies constitute the full legal and administrative framework governing the relationship between the Academy and every enrolled Student. By signing this Form, the Student acknowledges that they have read, understood, and unconditionally agree to be bound by all Policies set forth below. These Policies are subject to revision; the current version in force shall always prevail and will be communicated to students through official Academy channels.

1. ACADEMIC CONDUCT & INTEGRITY

The Academy upholds the highest standards of academic honesty and integrity. All students are required to engage with their studies in a manner that is ethical, honest, and respectful of the intellectual efforts of others and of the institution. The following acts are strictly prohibited and shall constitute grounds for disciplinary action, suspension, or expulsion:

- (a) Cheating, copying, or facilitating cheating in any assessment, examination, or daily topic evaluation.
- (b) Plagiarism in any form, including submitting the work of another person — whether in part or in full — as one's own.
- (c) Falsification, fabrication, or forgery of academic records, certificates, transcripts, or supporting documents.
- (d) Impersonation of another student during any assessment, class session, or examination.
- (e) Unauthorised use of academic materials, notes, electronic devices, or internet access during evaluations unless explicitly permitted by the instructor.
- (f) Contract cheating — paying for, commissioning, or obtaining academic work from a third party and submitting it as original.
- (g) Disrupting the academic environment, including interrupting lectures, daily sessions, or online classes.

2. MODULE STRUCTURE, ATTENDANCE, ASSESSMENT & ACADEMIC PROGRESSION**2.1 How Programmes Are Structured**

All programmes at Jolis ICT Academy are delivered on a modular basis. Each programme is divided into Modules, and each Module is further divided into Days. Each Day is dedicated to a single, distinct major topic within the module. Students are expected to treat each Day as a complete unit of learning. Progression through the module is sequential — a student must satisfactorily complete each Day before advancing to the next.

2.2 Attendance Requirements

Attendance at every scheduled Day within a Module is compulsory. Each Day covers a major topic that forms an integral part of the module assessment and contributes to the student's overall academic progression. Absence from, or failure to adequately engage with, any Day shall be treated as a missed instructional unit and shall have the following consequences:

- (a) A student who misses or fails a Day — whether due to absence, non-participation, or failure to meet the minimum standard for that session — will be required to undertake a Retake of that Day before they may proceed to the next Day in the module.
- (b) Retakes are not automatic. The student must formally register and pay a Retake Fee of Uganda Shillings Twenty Thousand (UGX 20,000) per Day retake directly to the Academy's Finance Office prior to the retake session being scheduled. This fee is subject to revision at the Academy's discretion, and any change will be communicated with reasonable notice.
- (c) No student will be permitted to proceed to a subsequent Day without having paid the applicable Retake Fee and completed the retake to a satisfactory standard.
- (d) Retake fees are non-refundable once the retake session has been confirmed.

IMPORTANT: A Retake Fee of UGX 20,000 (subject to change) is payable to the Finance Office before any missed or failed Day may be retaken. Students must settle this fee and present proof of payment before their retake session will be scheduled. Failure to do so will result in inability to progress within the module.

2.3 Pass Mark & Academic Progression

The minimum pass mark for all assessments, daily evaluations, and module examinations at Jolis ICT Academy is Eighty Percent (80%). This standard applies uniformly across all programmes, modules, and levels of study. Students are expected to consistently aim for and achieve this standard in order to progress.

(a) A student who scores below 80% in any daily evaluation, module assessment, or final examination will be considered to have failed that component.

(b) Failure to achieve the 80% pass mark in the final module examination, after all coursework has been factored in, will result in the student being required to repeat the entire module. Module repeat conditions, including any applicable fees, will be communicated to the student in writing. **(c)** A student required to repeat a module must do so before being permitted to proceed to the next module in the programme.

2.4 Assessment Structure & Grading Breakdown

The final grade awarded for each module is calculated on the basis of two equally weighted components, each contributing Fifty Percent (50%) of the total module mark, as follows:

Assessment Component	Weighting	Description
Coursework (Collective) 50% All daily evaluations, assignments, practicals, and in-module tasks completed throughout the module collectively contribute 50% of the final module grade.	Final Module Examination 50% A formal end-of-module examination administered by the Academy. This examination assesses the student's comprehensive understanding of the entire module and contributes the remaining 50% of the final module grade.	

(a) A student who misses a coursework component without prior written approval from the Academic Director will receive zero marks for that component. This zero will be factored into the collective coursework score and may adversely affect the student's final module grade.

(b) Absence from the final module examination without prior written approval will result in a score of zero for the examination component. A student in this situation must apply in writing to the Academic Director for a deferred examination, which may be granted at the Academy's discretion and may attract an additional administrative fee.

(c) A student whose combined module score (coursework + examination) falls below 80% will be required to repeat the module in full in accordance with Clause 2.3 above.

2.5 Result Disputes & Academic Appeals

The Academy is committed to fair and transparent assessment. If a student believes that their results have been incorrectly recorded, processed, or awarded, they have the right to formally dispute the outcome through the following procedure:

(a) All result disputes must be submitted in writing to the Director of Studies and Quality Assurance Office within Fourteen (14) calendar days from the official date of release of the results in question. Disputes submitted after this window will not be entertained under any circumstances.

(b) The written dispute must clearly state: the module and assessment concerned, the result received, the specific grounds for the dispute, and any supporting evidence the student wishes to be considered.

(c) The Director of Studies and Quality Assurance Office will acknowledge receipt of the dispute within five (5) working days and will aim to resolve the matter within twenty-one (21) working days from the date of acknowledgement.

(d) Where a re-marking or re-evaluation is requested and granted, the outcome of the re-assessment shall be final and binding. A re-mark may result in the grade being upheld, increased, or decreased. **(e)** Disputes relating to administrative processing errors (e.g. data entry mistakes) will be resolved within five (5) working days of submission.

(f) The Academy's determination of all academic disputes shall be final, subject only to any rights of appeal provided under applicable Ugandan law.

RESULT DISPUTES: Students must contact the Director of Studies and Quality Assurance Office in writing within 14 calendar days of the official results release date. Disputes raised after this deadline will not be considered. Address all dispute correspondence to: Director of Studies & Quality Assurance, Jolis ICT Academy.

3. FINANCIAL OBLIGATIONS & FEE PAYMENT POLICY

All fees, levies, and charges prescribed by the Academy are the sole responsibility of the Student. No Student shall be considered fully enrolled unless all applicable fees have been settled or a formal written payment arrangement has been approved by the Finance Department.

- (a) All fees must be paid in accordance with the payment schedule issued at the time of registration.
- (b) Failure to pay fees by the prescribed deadline will result in restricted access to Academy facilities, learning materials, and digital platforms.
- (c) Unpaid fees may result in withholding of examination results, academic transcripts, and certificates of completion.
- (d) Instalment payment plans are available upon written request and are subject to approval at the sole discretion of the Finance Department.
- (e) All fees paid are non-refundable unless the Academy expressly cancels a programme. Withdrawal by a student after commencement does not entitle the student to any refund.
- (f) The Academy reserves the right to recover any unpaid fees through legal means, including referral to a debt collection agency or civil proceedings.
- (g) Students are strictly prohibited from making payments to any individual staff member. All payments must be directed to official Academy bank accounts or approved mobile payment channels.

4. CONDUCT, DISCIPLINE & BEHAVIOUR POLICY

Every student is expected to maintain a standard of conduct that is respectful, professional, and consistent with the values of the Academy. Misconduct of any nature — whether on or off Academy premises — which brings the Academy into disrepute may be subject to disciplinary proceedings.

- (a) Harassment, bullying, intimidation, or threats directed at students, staff, or any third party are strictly prohibited.
- (b) Physical violence or assault will result in immediate suspension and referral to law enforcement authorities.

The Academy maintains a zero-tolerance policy toward theft, fraud, and all forms of financial crime. Any student found to have engaged in such conduct will face immediate disciplinary action and referral to law enforcement.

6. DIGITAL TECHNOLOGY, SYSTEMS & INTELLECTUAL PROPERTY

- (b) Students may not distribute, reproduce, or publish Academy learning materials without prior written authorisation.

- (c) Use of Academy platforms for commercial, political, or illegal purposes is prohibited.
- (d) Cyberbullying, online harassment, or posting of offensive content through Academy digital channels constitutes misconduct.

- (d) The outcome of the appeals process shall be final and binding on all parties.

11. WITHDRAWAL, SUSPENSION & TERMINATION OF ENROLMENT
